MAHADEV SWAMY

Sangam, (585417) TQ: Kamalnagar, DI: Bidar | +91 9353811544 | mahadevswamy4804@gmail.com

PROFESSIONAL SUMMARY

Motivated and self-driven BCA student with foundational knowledge of Python, Java, HTML,CSS and JS. Interested in software development, web technologies, and machine learning. Strong problem-solving, quick-learning, and communication skills with a focus on building practical projects and contributing to an IT team.

EDUCATION

Bachelor of Computer Applications (BCA) — Channabasamma College of BCA & BCom, Gornalli B, Bidar

2023 – 2026

PUC — Diamond PU College Bhalki (85.16%)

SSLC — Suryodaya Public School, Bhalki (86.08%)

TECHNICAL SKILLS

Programming: Python, Java

Web Technologies: HTML, CSS, JS

Datebase: My SQL, Oracle

Machine Learning: Classification,Clustering,Data Preprocessing

Tools: Basic development and project implementation workflows

PROJECTS

Budget Tracker

- Developed a budget tracking application to record and manage personal expenses and savings.
- Implemented features for organizing financial entries and monitoring spending.
- Applied programming and problem-solving concepts to create a practical user-focused application.
- Designed the project to provide a simple way to understand income, expenses, and savings.

Fake News Detection Using Machine Learning

- Developed a machine learning-based system to identify and classify potentially fake news content.
- Applied basic machine learning concepts to analyze news information and generate a classification result.
- Focused on creating a practical solution for identifying misleading or unreliable news content.
- Gained hands-on experience with machine learning workflow, data handling, and model-based prediction.

CERTIFICATION

- AI Training Class Certification

STRENGTHS

- Self-Motivated
- Quick Learner
- Problem-Solving
